

Steps to Licensure

Steps for Being Approved to Sit for the NPTE

1. **Candidate completes** all sections of the examination application and submits the fee to the Ohio OTPTAT Board. If you are submitting an online application through the Ohio e-License Center, you must also submit a notarized *Certification of Applicant for Online Applicants*. Paper applicants must submit a \$100 money order, business check, or cashier's check made payable to "Ohio Treasurer of State." The Board does not accept cash or personal checks. Applicants applying online will pay the \$100 fee with either a Visa or MasterCard. The Board does not accept American Express or Discover cards.

You can submit an online application by selecting the "[On-line Initial License Application](#)" link in the Information menu on the left side of the Board's website.

When the Board receives your application, you will receive an email that contains the login information to track the status of your application at the "[Application Checklist](#)" on the Ohio e-License Center (<https://license.ohio.gov>). A link to the Ohio e-License Center is available on the Board's website.

2. **If you answered "yes" to any of the Background Questions**, please provide a written statement explaining the incident(s) and what state it occurred in and attach supporting documentation including, but not limited to: *court records, and/or documentation from other state licensing boards*. If you have been convicted of a felony, you must provide "certified" copies of the following court documents: *Indictment, Plea Entry, Disposition, Sentencing Entry, Terms of Parole or Probation, Parole or Probation and Release/Discharge*.
3. **Request your entry level PT/PTA program** to submit the *Certification of Entry-Level Education* form directly to the Board office. **If you are requesting approval to sit for the NPTE prior to completion of your entry level PT/PTA program**, request your program to submit the *Entry-Level Education Pre-Completion Form* directly to the Board office. Forms received from the applicant will not be accepted.
4. **Register and pay to sit for the NPTE** directly with the Federation of State Boards of Physical Therapy (FSBPT) at <https://pt.fsbpt.net/ExamRegistration>. The Board cannot make you eligible to sit until after you register with the FSBPT. Please note that the FSBPT will close your registration to sit for the NPTE if the Board has not made you eligible to sit within six (6) months of you registering. The Board cannot make you eligible until you complete Steps 1, 2, and 3.
5. **When Steps 1-4 are complete, the Ohio OTPTAT Board will make you eligible to sit for the NPTE. Once the Board makes you eligible to sit, you will download your Authorization to Test (ATT) information directly from the FSBPT website at <https://pt.fsbpt.net>.**

To download your letter:

 - Click on "Request Now"
 - Enter personal information and click "Continue"

6. **Schedule your NPTE test** at www.prometric.com/fsbpt. Once you receive your ATT information, please schedule ASAP. Delays in scheduling will impact the availability of seats at a preferred test center.

Steps to Complete the Licensure Application Process

Applicants for licensure by examination should complete Steps 7-11 about 6-8 weeks before the completion of their entry level PT/PTA program.

7. **Request verifications from any jurisdiction** where you currently hold *or have ever held* a license, certification or registration to practice physical therapy or another health care profession. You must request the verification even if the license is expired.
8. **Register and pay to sit for the Ohio Jurisprudence Exam** directly with the Federation of State Boards of Physical Therapy (FSBPT) at <https://pt.fsbpt.net/ExamRegistration>. The Board cannot make you eligible to sit until after you register with the FSBPT. Please note that the FSBPT will close your registration to sit for the Ohio Jurisprudence Exam if the Board has not made you eligible to sit within six (6) months of you registering. The Board cannot make you eligible until your entry level PT/PTA program submits the *Certification of Entry-Level Education* form directly to the Board office indicating that you completed the requirements of the program. **Therefore, the Board recommends that applicants register for the Ohio Jurisprudence Exam approximately 2-4 weeks before program completion date.**
9. **When Steps 1-8 are complete, the Ohio OTPTAT Board will make you eligible to sit for the Ohio Jurisprudence Exam. Once the Board makes you eligible to sit, you will download your Authorization to Test (ATT) information directly from the FSBPT website at <https://pt.fsbpt.net>.**

To download your letter:

- Click on “Status of My Request”
- Click on “Request Now”
- Enter personal information and click “Continue”
- Click on ATT letter

10. **Schedule your Ohio Jurisprudence Exam** at www.prometric.com/fsbpt.
11. **Request your criminal records checks from the Ohio BCI and the FBI.** Review the *BCI/FBI Criminal Records Check Instructions* document on the Board’s website for additional information. Please note that if your license is not issued within 6 months of the date the Board receives the criminal records check results, you will be required to submit criminal records checks. **Therefore, the Board recommends that applicants submit their fingerprints about 4 week prior to program completion date.** Please review the *Fixed Date Testing and BCI/FBI Criminal Records Check Deadlines* document on the Board’s website for the earliest date an applicant can submit the BCI/FBI results.

Obtaining Your Ohio License

12. **The Ohio OTPTAT Board receives your NPTE and Ohio Jurisprudence Exam scores** directly from the FSBPT. You may check on your pass/fail status on the FSBPT website at <https://pt.fsbpt.net> by selecting “Status of My Request.” This status will not give the actual score, but will read “Score Received from Prometric – Passed” or “Score Received from Prometric – Failed.” Please do not contact the Board asking if you passed the exam. Phone calls received on score receipt day will delay the Board’s ability to issue licenses to those individuals who passed both the NPTE and the Ohio Jurisprudence Exam.
13. **The Ohio OTPTAT Board issues your license to practice.** Once your license is issued, you can verify it through the [License Lookup/Verification](https://license.ohio.gov/lookup/default.asp?division=92) link on the Board’s website (<https://license.ohio.gov/lookup/default.asp?division=92>).

You cannot legally practice physical therapy in Ohio until you can verify your license online.
