(A) A student is an unlicensed person. However, for purposes of the exemption from licensure contained in division (A)(3) of section 4755.65 of the Revised Code, a student need not be licensed if all of the following requirements are met:

(1) The student is enrolled in:

   (a) A professional (entry-level) education program accredited by the commission on accreditation of athletic training education (CAATE); or

   (b) An international professional (entry-level) education program located in a country that has entered into a mutual recognition agreement with the board of certification (BOC) and enrolled as a student at a program identified in paragraph (A)(1)(a) of this rule.

(2) The student has not met the requirements to sit for the examination;

(3) The activities and services performed by the student constitute a part of an approved course of study in accordance with paragraphs (B) and (C) of this rule;

(4) Students are designated by titles which clearly indicate their status as a student.

(B) A student shall be supervised by an Ohio licensed athletic trainer. The supervising athletic trainer is responsible for planning, directing, and evaluating the student's athletic training experience. Supervision requires daily visual and audible contact at all the sites at which the student provides services.

(C) Any documentation written by a student must be countersigned by the supervising athletic trainer. Documentation shall include the student's handwritten signature or unique electronic identifier. The student shall identify as "athletic training student" or the abbreviation "ATS," and must be followed by a title which indicates student status.

(D) High school students are not "students" for the purpose of the exemption from licensure provided by section 4755.65 of the Revised Code and this rule. High school students should be referred to as "student aides." High school student aides are unlicensed persons as defined in rule 4755-46-01 of the Administrative Code.
