Revised Dec 2018
Criminal Records Check Instructions

Criminal Records Check Required for Initial Licensure
Section 4755.70 of the Ohio Revised Code requires all individuals applying for a license issued by the Ohio Occupational Therapy, Physical Therapy, and Athletic Trainers Board to submit fingerprints for a criminal records check completed by the Ohio Bureau of Criminal Identification and Investigation (BCI) and the Federal Bureau of Investigation (FBI).

Instructions for Individuals Residing in Ohio or within 75 miles of Ohio
Applicants residing in Ohio or within 75 miles of Ohio are required to utilize “WebCheck” to electronically submit their fingerprints to BCI. The Board will typically receive the results of a criminal records check submitted via “WebCheck” within 7 to 10 business days. In addition to the $22 BCI fee and the $25.25 FBI fee, the electronic fingerprinting company or law enforcement agency may charge its own fee to process the fingerprints.

Since the law requires applicants to submit a records check completed by both BCI and the FBI, you must use the services of a “WebCheck” vendor. The sheriff's offices in most of Ohio’s 88 counties participate in “Webcheck.” A list of other “WebCheck” vendors in Ohio, arranged by county, is available online at:
http://www.ohioattorneygeneral.gov/Business/Services-for-Business/WebCheck/Webcheck-Community-Listing

You need both the BCI and FBI records check for initial licensure. By law, the Board cannot complete the processing of your application until it receives the background check reports from BCI and FBI.

Steps for “WebCheck”
1. Identify a “WebCheck” vendor that has (BCI & FBI) listed after the vendor's name.
2. Tell the “Webcheck” vendor to select “OT, PT, and Athletic Trainers Board” from the Direct Copy dropdown list at the Webcheck workstation.
3. Request both a BCI and FBI criminal records check.
4. List the reason fingerprinted as: Required for licensing per ORC 4755.70
5. Agency Code: 1AB002 (if requested)
6. Submit your fee directly to the “WebCheck” vendor. Do not send your fingerprints or fee to the Board.

Bring the following information with you to the Webcheck Vendor:
(1) this notice; (2) a valid form of photo identification, and (3) payment, in the appropriate amount and form, payable to the vendor.

Instructions for Individuals Residing more than 75 miles from Ohio
You must contact the Board at board@otptat.ohio.gov or 614-466-3774 to request that the Board mail you the appropriate forms to have your fingerprints taken at a local law enforcement agency. Please note, the Board will not mail these cards until after you submit an initial application for licensure. In addition, it takes the FBI 3 to 4 months to process ink rolled fingerprints. Since Ohio does not have temporary licensure, please take this delay into account. You may also elect to physically come to Ohio to have your fingerprints taken electronically to minimize the time it takes to process your application.

Additional Information for Individuals Who Previously Submitted Fingerprints to BCI
When an individual submits fingerprints to BCI for a criminal records check, BCI will keep the fingerprints on file for twelve (12) months. If less than one year has passed since the initial submission of fingerprints to BCI, the applicant can request that BCI run another check on the same fingerprints and run a new criminal record check report to be sent to the Board. In this situation, BCI charges the applicant $8. You will need to provide BCI with the information identified above in the “Steps for WebCheck” section of this notice. If more than 12 months passed since you submitted your fingerprints to the BCI, you will need to submit new fingerprints and follow the steps identified in the first page of this notice.

Criminal Records Check Instructions
Revised March 2019
This service only applies for the BCI check. Even if you previously submitted your fingerprints to the FBI, you will need to identify a “WebCheck” vendor that has (BCI & FBI) listed after the vendor’s name, submit new fingerprints, and request that the FBI criminal records check results be sent directly to the Board. You will need to bring this notice with you to the “WebCheck” vendor but will only need to request the FBI check.

Frequently Asked Questions

**Question:** I recently had an FBI records check completed for another purpose. Can I just use those results to meet the requirements of the Board?  
**Answer:** No. The law requires that an applicant for an initial license from a licensing agency shall submit a request to the bureau of criminal identification and investigation for a criminal records check of the applicant. Upon completion of the criminal records check, the superintendent of BCI shall report the results of the check, and any information the FBI provides, to the licensing agency identified in the request for a criminal records check.

**Question:** How much time will this add to the licensure process?  
**Answer:** The Board typically receives the criminal records check results approximately 7-10 days after you are electronically fingerprinted. For out-of-state applicants completing the ink-rolled fingerprints, it takes the FBI 3-4 months to process the fingerprints and submit the results of the criminal records check to the Board.

**Question:** What happens if I have a criminal history reported to the Board?  
**Answer:** The Board will review the records related to the criminal history and determine if the offenses identified make you ineligible for licensure in Ohio.

**Question:** Will I need to submit a criminal record check to renew my license every two years?  
**Answer:** No. The records check requirement does not apply to the biennial renewal process or to individuals reinstating an expired Ohio license.

A non-U.S. educated applicant is a person whose occupational therapy education was obtained in a program not accredited by the Accreditation Council for Occupational Therapy Education (ACOTE).

### Section I: General Information

**TYPES OF APPLICATIONS**

**License by Exam** is for individuals seeking licensing in Ohio who already passed (or are scheduled to sit for) the NBCOT certification examination but do not hold an occupational therapy license in another U.S. state or territory.

**License by Endorsement** is for individuals seeking licensure in Ohio who hold a current, valid license to practice occupational therapy in another U.S. state or territory.

Endorsement applicants must meet all of the same criteria required for licensure by exam. Having a license in another state does not mean that you will automatically qualify to practice in Ohio.

If the wrong application is received by the Board, the applicant will be sent the correct one to complete.

### Section II: Requirements for Non-U.S. Educated Applicants

**CREDENTIAL EVALUATION**

Pursuant to the Ohio Occupational Therapy Practice Act, all non-U.S. educated applicants must have an educational background deemed by the Occupational Therapy Section to be substantially equivalent to an occupational therapy program accredited by the Accreditation Council for Occupational Therapy Education (ACOTE).

All non-U.S. education must be evaluated by a professional evaluating service. Original credential evaluations must be sent directly to the Board from the evaluating organization. Evaluations are required to assist the Section in making a decision regarding the equivalency of the non-U.S. education. Credential evaluations reflect only the findings and conclusions of the evaluator and are not binding upon the Section. The Section will take action on applications only after it has received and reviewed an evaluation of non-U.S. education, in addition to all other required documents.

The following are the organizations approved to conduct credential evaluations for Ohio. Please contact them directly at:

- Educational Credential Evaluators, Inc. – [http://www.ece.org](http://www.ece.org)
- NBCOT – [http://www.nbcot.org](http://www.nbcot.org)
- World Education Services, Inc. – [http://www.wes.org](http://www.wes.org)

**Note:** In accordance with rule 4755-3-01, an evaluation is not required if an applicant was initially certified by NBCOT on or after January 1, 2004.
WORKING KNOWLEDGE OF ENGLISH

All non-U.S. educated applicants must demonstrate a working knowledge of English by:

1. Obtaining scores of at least 4.5 of the TWE; 50 on the TSE; and 220 on the computer based TOEFL or 560 on the paper based TOEFL; or

2. Obtaining scores on the TOEFL iBT of at least 24 on the writing section; 26 on the speaking section; 18 on the reading comprehension section; 21 on the listening comprehension section; and 89 on the overall examination.

To register for either exam, please visit http://www.toefl.org. The Ohio OTPTAT Board’s agency code is 9099.

Note: In accordance with rule 4755-3-01, proof of passage of the TOEFL exam is not required if an applicant was initially certified by NBCOT on or after January 1, 2004.

Section III: Fees

All fees or costs incurred by an application while gathering information connected with the filing of an application are the responsibility of the applicant.

It is the applicant’s responsibility to be aware of and in compliance with current requirements of the Occupational Therapy Section. It will take some applicants as long as one year to gather the required items to complete the application. The completed application will be reviewed based upon the Section’s current guidelines.

In accordance with rule 4755-3-01 (I), all applications that remain incomplete one year after the initial application filing date are considered to be abandoned and no further processing shall be undertaken on that application. After that time, a new application and fee will be required to be considered for licensure in Ohio.
Additional requirements for individuals who have been out of practice for five or more years include: (1) Additional continuing education; (2) Competency-based performance appraisals; (3) Mentorship; (4) Professional development plan; (5) Extended coursework; and (6) Retaking and passing the NBCOT certification examination.
