in a manner that meets the minimal standards of care;

(4) Requiring an assessment of the applicant's skills in recognizing and understanding diseases and conditions;

(5) Requiring the applicant to undergo a comprehensive physical examination, which may include an assessment of physical abilities, evaluation of sensory capabilities, or screening for the presence of neurological disorders;

(6) Restricting or limiting the extent, scope, or type of practice of the applicant.

The board shall consider the moral background and the activities of the applicant during the period of suspension or inactivity. The board shall not issue or restore a license under this section unless the applicant complies with sections 4776.01 to 4776.04 of the Revised Code.

Sec. 4779.02. (A) Except as provided in division (B) or (C) of this section, no person shall practice or represent that the person is authorized to practice orthotics, prosthetics, or pedorthics unless the person holds a current, valid license issued or renewed under this chapter.

(B) Division (A) of this section does not apply to any of the following:

(1) An individual who holds a current, valid license, certificate, or registration issued under Chapter 4723., 4729., 4730., 4731., 4734., or 4755. of the Revised Code and is practicing within the individual's scope of practice under statutes and rules regulating the individual's profession;

(2) An individual who practices orthotics, prosthetics, or pedorthics as an employee of the federal government and is engaged in the performance of duties prescribed by statutes and regulations of the United States;

(3) An individual who provides orthotic, prosthetic, or pedorthic services under the supervision of a licensed orthotist, prosthetist, or pedorthist in accordance with section 4779.04 of the Revised Code;

(4) An individual who provides orthotic, prosthetic, or pedorthic services as part of an educational, certification, or residency program approved by the Ohio occupational therapy, physical therapy, and athletic trainers board under sections 4779.25 to 4779.27 of the Revised Code;

(5) An individual who provides orthotic, prosthetic, or pedorthic services under the direct supervision of an individual authorized under Chapter 4731. of the Revised Code to practice medicine and surgery or osteopathic medicine and surgery.

(C) Division (A) of this section does not prohibit an individual who is not licensed under this chapter to practice prosthetics or orthotics and prosthetics from engaging in the 3-D printing of open-source prosthetic kits if the individual has been granted the authority to engage in that activity by
the Ohio occupational therapy, physical therapy, and athletic trainers board under section 4779.40 of the Revised Code. Such an individual shall not represent that the individual is authorized to practice prosthetics or orthotics and prosthetics under this chapter.

Sec. 4779.08. (A) The Ohio occupational therapy, physical therapy, and athletic trainers board shall adopt rules in accordance with Chapter 119. of the Revised Code to carry out the purposes of this chapter, including rules prescribing all of the following:

1. The form and manner of filing of applications to be admitted to examinations and for licensure and license renewal;
2. Standards and procedures for formulating, evaluating, approving, and administering licensing examinations or recognizing other entities that conduct examinations;
3. The form, scoring, and scheduling of licensing examinations;
4. Fees for examinations and applications for licensure and license renewal;
5. Fees for approval of continuing education courses;
6. Procedures for issuance, renewal, suspension, and revocation of licenses and the conduct of disciplinary hearings;
7. The schedule to be used for biennial renewal of licenses;
8. Standards of ethical and professional conduct in the practice of orthotics, prosthetics, and pedorthics;
9. Standards for approving national certification organizations in orthotics, prosthetics, and pedorthics;
10. Fines for violations of this chapter;
11. Standards for the recognition and approval of educational programs required for licensure, including standards for approving foreign educational credentials;
12. Standards for continuing education programs required for license renewal;
13. The amount, scope, and nature of continuing education activities required for license renewal, including waivers of the continuing education requirements;
14. Provisions for making available the information described in section 4779.22 of the Revised Code;
15. Requirements for criminal records checks of applicants under section 4776.03 of the Revised Code;
16. Requirements for an individual who is not licensed under this chapter to practice prosthetics or orthotics and prosthetics to engage in the 3-D printing of open-source prosthetic kits.
(B) The board may adopt any other rules necessary for the administration of this chapter.

(C) All fees received by the board under this section shall be deposited in the state treasury to the credit of the occupational licensing and regulatory fund established in section 4743.05 of the Revised Code.

Sec. 4779.40. An individual who is not licensed to practice prosthetics or orthotics and prosthetics under section 4779.09 of the Revised Code may apply to the Ohio occupational therapy, physical therapy, and athletic trainers board for the authority to engage in the 3-D printing of open-source prosthetic kits. The board shall prescribe an application form for this purpose.

The board shall grant the authority described in this section if the individual meets the requirements specified in rules adopted under section 4779.08 of the Revised Code.

Sec. 4906.10. (A) The power siting board shall render a decision upon the record either granting or denying the application as filed, or granting it upon such terms, conditions, or modifications of the construction, operation, or maintenance of the major utility facility as the board considers appropriate. The certificate shall be conditioned upon the facility being in compliance with standards and rules adopted under sections 1501.33, 1501.34, and section 4561.32 and Chapters 3704., 3734., and 6111. of the Revised Code. An applicant may withdraw an application if the board grants a certificate on terms, conditions, or modifications other than those proposed by the applicant in the application.

The board shall not grant a certificate for the construction, operation, and maintenance of a major utility facility, either as proposed or as modified by the board, unless it finds and determines all of the following:

1. The basis of the need for the facility if the facility is an electric transmission line or gas pipeline;
2. The nature of the probable environmental impact;
3. That the facility represents the minimum adverse environmental impact, considering the state of available technology and the nature and economics of the various alternatives, and other pertinent considerations;
4. In the case of an electric transmission line or generating facility, that the facility is consistent with regional plans for expansion of the electric power grid of the electric systems serving this state and interconnected utility systems and that the facility will serve the interests of electric system economy and reliability;
5. That the facility will comply with Chapters 3704., 3734., and 6111. of the Revised Code and all rules and standards adopted under those
